

Poet Grain is excited to announce the upcoming launch of our new mobile app! You will be able to find this app in your Apple or Google play store in the near future.

Here are some of the features that you can look forward to:

- Receive/Send Contracts
- View Contract Details
- View Ticket Details

If you are interested in the first option, we need to collect your signature in advance to have on file for our records and grain audits. Please sign, print and date this form and return it to us as soon as you can.

We will let you know when the app has been released so that you can take advantage of this and the other features!

Thanks!
